Re: Pitt Community College Fire Rescue Training

Date: July 21, 2010

PCC now offers online training through MOODLE. To register for online fire service training go to <http://cecourses.pittcc.edu/>. Click on the *Login icon* and follow the directions for creating and new account, you MUST have your college ID number and list the organization that you represent. **A valid email address is required to complete the registration process.** From this point you can begin to register for On-Line classes.

To take any MOODLE class listed you MUST simply click on the topic. If the class is available for entry you will be redirected to another screen that will be ask for required information for registration. Once this course registration is completed and you have checked the boxes for the class/classes you wish to take, click submit. Check back in five (5) business days and you should be able to begin the class as long as it falls within your duties. Once in the course you will need to complete any and all requirements for successful completion.

The links will below will take you to the Windows Live Calendar for Pitt Community College Fire Rescue Training.
